

GPSR
DERBLAUE® Flexible Protection Tub
(190x140cm & 110x85cm)

1. PRODUCT DESCRIPTION

Here you have absolute protection for your working environment. Pack our large Flexible Protection Tub under your machine or use them as storage space for your tools and the equipment you are working on. It can be folded up compactly like a blanket for transportation or storage and is much more than just a blanket: you can shape it into an oversized Tub by incorporating bending metal elements, making it the perfect spill protection for countless applications. Available in two sizes, supplied in a practical transport bag.

[DERBLAUE®](#)

2. SCOPE OF DELIVERY

- **1x Flexible Protection Tub** 190x140cm or 110x85cm
 - **1x instruction manual**
 - **Bag:** Practical bag for storing and transporting the product
-

3. TECHNICAL DATA

- **Material:** Robust, fabric-reinforced special tarpaulin
 - **Dimensions:** 110 cm x 85 cm
 - **Capacity:** approx. 30 liters and 80 liters
 - **Bending metal elements:** all-round integrated strips for folding up the edges (10 cm long)
 - **Hanging loops:** Available all round
-

4. SAFETY INFORMATION

- **Application:** Suitable for collecting and safely draining liquids such as heating water, glycol-containing liquids, hydraulic and lubricating oils during service work on machines, vehicles or systems.
- **Handling:** Avoid contact of the Flexible Protection Tub with sharp or pointed objects to prevent cracks or damage. Avoid overloading or improper use to ensure tightness.

- **Storage:** Clean and dry the wheelchair base thoroughly after each use and store it in a dry, cool place away from direct sunlight to prolong its service life.
 - **Fastening:** Ensure that the Flexible Protection Tub is stable on a flat surface during use so that any leaking liquids are safely collected.
 - **Warning:** Not suitable for drinking water. This product is intended exclusively for non-potable liquids. Use in drinking water systems may impair water quality.
-

5. LABELING AND TRACEABILITY

- **Manufacturer:** Aqua Evolution Systems GmbH
 - **Brand:** DERBLAUE®
 - **Product name:** Flexible Protection Tub
 - **Item number:** 190x140cm 12014 and 110x85cm 12018
 - **Contact address:** Aqua Evolution Systems GmbH, Lindenstr. 14, 87477 Sulzberg Germany
 - **Website:** store.derblaue.com
-

6. OPERATING INSTRUCTIONS

- **Preparation:** Unfold the Flexible Protection Tub completely and shape the hinged edges to maximize the collection area.
 - **Positioning:** Position the wheel chock under the machine or service point so that escaping liquids land safely in the Flexible Protection Tub.
 - **Use:** Carry out the service work and ensure that the Flexible Protection Tub is not overfilled.
 - **Check:** Check the fill level regularly during use and empty the Flexible Protection Tub in good time if necessary.
-

7. RISK ANALYSIS

Mechanical risks:

- Damage to the Flexible Protection Tub due to overloading, sharp edges or improper handling.
- **Measures:** Ensure maximum fill level, avoid contact with sharp or hot surfaces.
- **Wear risks:** Material fatigue due to frequent folding or improper storage.
- **Measures:** Regular visual inspection for cracks, material changes or leaks and timely replacement if damage is detected.

8. DECLARATION OF CONFORMITY

Manufacturer:

Aqua Evolution Systems GmbH
Lindenstr. 14
87477 Sulzberg
Germany

Aqua Evolution Systems GmbH hereby declares that the DERBLAUE® Flexible Protection Tub complies with the requirements of EU Regulation 2023/988 on general product safety (GPSR).

Date: 21.01.2025

Signature: 

Position: CEO

9. CLEANING AND CARE

Clean the wheel chock thoroughly after each use with warm water and a mild detergent to completely remove any residues of oils, coolants or hydraulic fluids. Dry the wheelchair base completely before folding or storing it. Store the wheelchair base in a dry, cool place and protect it from direct sunlight and aggressive chemicals.

10. MAINTENANCE AND INSPECTION

Before each use, check the bending metal elements and the foldable edges for deformation and carefully straighten them if necessary.

Check the material regularly for cracks, signs of wear or other damage.

Replace damaged Professional Tubs immediately to ensure safe and reliable use.

11. DISPOSAL

- **Environmentally friendly disposal:**
 - o Dispose of the Flexible Protection Tub in accordance with local regulations for plastic waste.
 - o Recycling is preferable in order to minimize environmental impact.
